

COYOTE POINT YACHT CLUB Coyote's Bay, October 2017

Message from the Secretary:

Together with CPYC's Membership Chair, Catherine Miskow, I would like to welcome three new members to CPYC:

Kyle Weddington
Arnaud & Elisabeth Lepert
Gerry & Janet Elwell

This brings our total new members added for 2017 to 13, and the year is not over yet!

We hope that all new members will attend our General Membership Meeting on Tuesday, October 17, so everyone will have a chance to meet them and make them feel welcome!

Speaking of our next meeting, the October meeting is when the Nominating Committee presents the slate of members they have interviewed and are recommending for various Board and Committee Chair positions. These are members in good standing who have expressed an interest in serving on the Board or heading up a Committee. If you missed the opportunity to let the Nominating Committee know of your interest in serving, and you are able to volunteer 8 – 12 hours per month, you can still let the Board know at this meeting of your interest, as nominations may be made from the floor.

Voting will take place at the November General Membership Meeting.

As you can see from the upcoming activities listed on the front page, we have a lot going on this Fall. Please make sure you note that October 11, will be the final Wednesday Evening Rabbit Race. We've had a good turnout this year, with a number of participants taking some really beautiful photos out on the water. Please be sure to check these out on our Facebook – CPYC Members page. We've also been featuring them in the Blast from time to time. Not getting the Blast? Email secretary@cpyc.com to have your name added to our email list.

NEW TO CPYC?

Here's a little primer to help you get acquainted.

1. The Board of Directors are the people that make decisions about the Club, many such decisions made with input and/or approval from the membership at large. They are all volunteers.

2. The Commodore is basically the CEO for the Club, the Vice Commodore is in charge of stuff here “at home” including the galley and building maintenance matters, and the Rear Commodore is in charge of “on the water” activities including racing and cruise outs.

3. Ways to get involved include being on the membership, house, social, cruise or regatta committees. We have “Chairs” for each of these committees, but those individuals can use some help!

4. Much of our income as a club comes from Youth Sailing and informal racing on Wednesday nights from April through October. Volunteers are always needed to help with both those functions.

5. We are primarily a social club. That means we are a group of people who like to spend time together and enjoy each other's company. The best way to get involved is to SHOW UP!
